Signup

- A valid email address is needed to send you a verification email. This is a sensible step to stop villains spamming the API with fake accounts. This is never shared with anyone.

- A description helps us optimise the API, and know which features to add in future.

- The mailing list is opt-in, only check it if you're interested in hearing about my other free APIs.

Old documentation - API version 2012-2018

### The Cat API - API Key

Thanks for signing up, welcome to the API!

Here's your API key

535edd5b-5837-4f34-88b0-7f300a532771

Here's your user\_id

rv8yxd

The documentation can be found here: [Documentation](#).

If you're making a Discord Bot here's an example to help you out [Discord Bot Guide + Code](#)

Please get in touch if there's anything we can help you with.

Looking forward to seeing what you make! If you have any issues at all feel free to get Email back or Tweet me.

All the best, Aden.
